GRAMMAR SCHOOL LEAGUE TO ARRANGE SCHEDULE

There will be a meeting of the Grammar School Athletic League on Friday, October 18, at four-thirty o'clock for the purpose of arranging the schedule of sports for the coming year and also to discuss the problem of school boys' athletics among the public and private grammar schools of the city. All pupils, teachers and others interested in the games and sports of the school boys are requested to attend.

There has always been more or less competition between the different grammar and private schools of the city and some games have already been planned between the different schools. A list of all the games planned will be presented at the meeting and a definite schedule will be worked out.

THURSDAY BIBLE CLASS TO MEET TOMORROW

Beginning tomorrow morning at ten-thirty o'clock, the Thursday Morning Bible Class at Central Union Church will hold its first session for the year under the direction of Rev. A. A. Ebersole.

The Twentieth Century New Testament will be used as the text book, the gospel records being studied in the same scientific way in which a similar group of students would study any other literature. The Reading Course in the Gospels will be continued, and will be completed this year, if possible.

The class will prove a large one, ninety-five women having already enrolled. The committee in charge cordially invites any women, who might be interested in a study such as the class is making, to attend, whether or not they are members of Central Union Church.

The need of sanitation roads in Honolulu will be the subject of the lecture at the Civic Federation meeting today at 4 o'clock in the Public Service rooms. Hon. A. F. Judd will give the address.

GROWS BEAUTIFUL, HEAVY HAIR WE PROVE IT—25 CENT "DANDERINE"

Destroys Dandruff—Stops Falling Hair—Cleans and Invigorates Your Scalp—Delightful Dressing

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only cure hair grower; destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

Demand the FULL Earning Power of Your Investments

You have a positive right to insist upon receiving the full earning power of every dollar you invest.

Safety is ALL important—no other consideration can affect the influence of this vital factor. But the income yield is the real reason for making the investment.

The maximum earning power, consistent with safety, of invested money is absolutely fixed by laws of finance which govern every commercial relation. The individual who attempts to secure more must do so at the expense of safety itself, while the investor who is content with less is depriving himself of what is rightfully his own.

Safe 6% First Mortgage Bonds

We own and offer First Mortgage double the total amount of the bond Bonds based on improved, centrally located, income-earning Chicago real estate of the highest class.

Securities of this type offer unquestioned safety, with an unusually attractive income yield. They are the one fundamental investment.

In accordance with the rigid and unvarying policy of this house, the value of the underlying security, conservatively appraised, must be at least two to fifteen years.

30 Years Without a Dollar Loss

For the past thirty years we have sold this class of securities exclusively, and it is a significant fact that during that entire time not one client has ever lost a single dollar, either of principal or interest, on any security purchased from us.

Quick convertibility into cash is assured through our custom of repurchasing securities from our clients, when requested, at par and accrued interest, less a handling charge of one per cent.

Interesting literature of extreme value to every conservative investor including a copy of the semi-monthly investor's Magazine, will be mailed on request.

A very choice list of carefully selected, specific issues has been prepared. Ask for Circular No. 104.

Ever In New York?

The lights and shadows of that great city constitute the most interesting study in the world. No. 2 of the famous "ALONE IN NEW YORK" series has just been released, and naturally we got it first.

"Mary in Stageland"

is its title, and for mirth and pathos, temptation and struggle, work and fight, it's equal would be hard to find. (The story is running in a certain ladies' magazine.) Don't miss this series. "PHONE 1707 CHESTER," a dramatic piece of great merit, is mighty interesting.

"CHECKMATE," a modern drama, keeps your interest to the top-notch. "TWO LOVERS" is a crackjack; a little desert, a great love, a mistake—but a happy ending.
